2012 SCHOLARSHIP APPLICATION
www.militaryscholar.org

PROGRAM DESCRIPTION

Commissaries are an integral part of the Quality of Life offered to service members and their families. The Fisher House program provides “*A Home Away from Home*” for families experiencing a personal medical crisis and is one of the premiere quality of life organizations supporting military families. The Scholarships for Military Children Program was created to recognize the contributions by military families to the readiness of the fighting force and celebrate the role of the commissary in the military community. It is the intent of the program that a scholarship funded through contributions will be awarded annually for each commissary operated by the Defense Commissary Agency. The Defense Commissary Agency and Fisher House Foundation, Inc. wish to thank commissary business partners and other contributors for their generosity in funding the Scholarships for Military Children Program.

CONDITIONS OF ELIGIBILITY

Dependent unmarried children under age 23 of active duty personnel, reserve/guard and retired military members, or survivors of service members who died while on active duty or survivors of individuals who died while receiving retired pay from the military, may apply for a scholarship. Eligibility, including survivors of deceased members, will be determined using the DEERS (Defense Enrollment Eligibility Reporting System) database. Applicants should ensure that they, as well as their sponsor, are currently enrolled in the DEERS database and that they have a current ID card. Applicants can verify if they are enrolled in DEERS by going to www.dmdc.osd.mil and entering their social security number, date of birth, and last name or call 1-800-538-9552.

Applicants must be enrolled, or planning to enroll, full-time in the fall of 2012 in an undergraduate program of studies leading to a Bachelor’s Degree at an accredited U.S. college or university. They must have a minimum cumulative unweighted grade point average of 3.0 (on a 4.0 basis). College freshmen must submit a first semester college transcript.

Applicants who receive an appointment to one of the U.S. Military Academies (or affiliated preparatory schools) or are awarded a full scholarship at any accredited U.S. post-secondary institution of higher education are not eligible to receive funds from this program. A full scholarship is usually defined as one that provides for payment of tuition, books, lab fees, and room and board. Further, no scholarships will be awarded to those pursuing an associate degree as their final degree, second undergraduate, or graduate school degree.

Applicants who attend or plan to attend a Community or Junior College with the express purpose of earning an Associate Degree are ineligible to receive a scholarship. Students attending a community or junior college must be enrolled in a program of studies designed to allow the student to transfer directly into a four-year program.

Excepting extremely unusual circumstances, the awards cannot be deferred for future use; the awards must be used for educational expenses incurred during the 2012-2013 Academic Year.

The awards are made without regard to race, creed, color, sex, sexual orientation, religious belief, national origin, rank or service of the sponsor.
