Parent Endorsement

I understand that Honors courses are much more difficult than standard high school courses. I recognize that success in these courses may require students to sacrifice both school-sponsored and community activities, especially those that require the student to miss school or take evening study time away. I have reviewed the criteria listed above, and fully support my son’s/daughter’s decision to enroll in this course.

Instructions to Student

Honors courses are challenging and time-consuming. Please write a brief statement (in your own handwriting) as to why you would like the opportunity to enroll in an Honors class. In addition to meeting the stated criteria for an Honors course, what personal qualities and work habits do you possess and how will you use these qualities to succeed in this course?

I understand that Honors courses are more difficult than standard high school courses. I recognize that success in these courses require that I may need to sacrifice school-sponsored and community activities, especially those that require me to miss school or require evening hours. I have reviewed the criteria listed on the front side of this form and feel that I have the necessary academic background, commitment, and motivation to succeed.
